

Welcome to the Beats of Africa!

On behalf of KPMG, I would like to thank you for supporting PALS Autism School. Your support means that children and young adults with autism, from communities across the Lower Mainland, can benefit from the school's innovative teaching and low teacher to student ratios.

As one of Canada's leading professional services firms, we have an incredible opportunity to help our communities thrive by engaging our skills, knowledge, passions, and financial resources to make a real difference. We feel passionate about strengthening our relationships with our communities, which is why in 2009 we elevated our existing community engagement to a whole new level by incorporating Community Leadership as one of the four key components of our overall business strategy.

We are proud to support the fantastic work that PALS Autism School has achieved to date and wish the school continued success over the next year.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jonathan Kallner'. The signature is fluid and cursive, with a long horizontal stroke at the end.
