access life-changing programs
and services!

Sponsorship Package

PALS Autism Society was established in 2006 by dedicated mothers who recognized the need to create a specialized school for children with autism. PALS School Program was the first specialized, independent, brick-and-mortar school in BC offering year-round education to children with autism ages 5 to 19 years. Designated as a Special Education School by the BC Ministry of Education, the School uses the Applied Behavioural Analysis methodology and maintains high staff-to-student ratios. PALS Adult Services Society (PASS) provides an innovative daily program and independent housing for adults with autism. PASS' approach is rooted in a continuum of skills training, community participation, employment, and housing opportunities. The PASS Social Enterprise, PASS Marketplace, offers participants paid employment while teaching workplace skills. Learn more at passadultservices.ca

Sponsorship Opportunity

PALS Autism Society and PALS Adult Services Society provide individualized programming for children and adults with autism. This summer, the two non-profits are holding a joint raffle to raise much-needed funds to continue and expand their services.

Please consider donating a prize to the upcoming 'Getaway with PALS' Raffle. Your support will help us leverage Pacific Coastal Airlines' donation of two round-trip tickets from Vancouver to Tofino. With your help, we'll bundle this into a full Tofino package.

Your contribution will help provide:

- specialized programs using the most current adaptive and assistive technology and best practices for optimal learning.
- paid and volunteer employment experiences with individualized assistance when needed.
- evidence-based therapies, including art, music, behavioural, occupational, and speech therapy.
- engaging and educational outings for students and adult members.

Your support will be recognized through:

- Business logo on emails to over 2,000 PALS and PASS supporters
- Business logo on Raffle website page
- Recognition on PALS' and PASS' social media
- Business logo on Raffle posters and other print marketing

Thank you for your consideration. Please don't hesitate to reach out if you would like to discuss this opportunity further.

With gratitude,

Andrea Kasunic
